

Hello. My name is Orlando and my friend Carrie. I am a TOP student at Barnard. I live in Representative/Senator New havens and Guildford district. My zip code is 06513. I would like YOU Senator of Connecticut to support DSS funded Teen Pregnancy Prevention Initiative. The reason why I'm sending you this message because TOPS has affected me by helping all of my problems and situations that i am going through in my life it isn't fair for you to shut down TOPS because a lot of people have gone through a lot of problems through their life and is hard for them to talk it out to their parents and to their friends and its easy for them to talk it out to the TOPS teacher. Also it had helped me put a conclusion into my problem because i had a problem with my death of my grandmother and its hard at times to talking about at times and TOPS really changed that.....So please dont shut down TOPS
